Nextedge (2 Years)

2023-2025

Senior Web Designer & Frontend Developer

Contributed to a US project on Assignment Help Services by creating responsive, high-performance front-end solutions that meet Core Web Vitals and SEO best practices.

- Developed and executed a new website architecture, achieving a **40% increase in page load speeds** and improved SEO rankings, which boosted **organic traffic by 20%.**
- Mentored two junior designers, leading to a **40% reduction in design revisions**.
- Oversaw live testing and quality assurance, cutting post-launch **bugs by 50%.**
- Created graphics and UI assets, resulting in a **40% rise in user engagement**.
- Engaged in team-building activities, cultivating strong relationships with colleagues.
- Honored with the "Best Website Designer" award in 2024 and 2025 for delivering SEO-aligned, Core Web Vitals-compliant web design, with significant contributions to the RapidUK, NAH_US, and Native_AUS projects.
