

KIRTI BADOLA

WEB DESGINER / DEVELOPER & UI/UX DESIGNER

ABOUT

I'm a highly skilled and passionate professional with 4+ years of hands-on experience in web design, frontend development, UI/UX design, and graphic design. I craft visually stunning, user-friendly websites and funnels that not only look great but perform flawlessly. My passion for design and tech keeps me evolving in the ever-changing digital world.

EXPERIENCE

NEXTEDGE (1.8 YEARS)

2023-2024

SENIOR WEB DESIGNER/DEVELOPER

I am a dedicated Senior Web Designer and Developer at NextEdge, contributing to a US-based project specializing in Assignment Help Services.

- Designed and developed front-end code for websites.
- Ensured code quality met Core Web Vitals standards.
- Trained junior designers.
- Conducted live testing of all projects.
- Created graphics and visual elements for web projects.
- Participated in team engagement activities and fostered strong relationships with team members.
